Audiences are especially fond  
of our 'Castaway' project which  
takes audiences on a journey of

classics including 'Message In  
A Bottle' by The Police and  
other stormy songs by Ed

"I get excited by the exchange of energy on the coastline - winds make the waves and they are so beautiful and yet so destructive - survive a storm and you can handle pretty much anything."

James O'Connor is an award-winning photographer/filmmaker/musician living in Dufferin County. He's also the Creative Director at [The Art of Storytelling](#) and is available as a motivational speaker on 'creative confidence.'

"Not the usual show! Unique storytelling intertwined with the most enjoyable musical compositions taking us on an immersive journey..." ~ Shaen Ar, Concerts in the Mills
